

SCHOLARSHIPS

Like last year, we would like to invite doctors and students from abroad to participate in the event in Munich. For this purpose, we have set up a Scholarship Fund to support a limited number of doctors and students with their travel expenses. Each accepted applicant will receive a scholarship of **300,00 EURO** in case of successful participation on-site. The Scholarship only applies to face-to-face attendance. A virtual attendance will not be supported. We are looking forward to your application!

CONGRESS PRESIDENTS

Andreas du Bois, Essen, Germany
Jonathan Ledermann, London, United Kingdom
Sherko Kümmel, Essen, Germany
Peter Schmid, London, United Kingdom
Nadia Harbeck, Munich, Germany
Sven Mahner, Munich, Germany
Philipp Harter, Essen, Germany

During the 1.5-day meeting in Munich, the latest results and treatment strategies will be summarized, discussed and presented by international experts. The interactive congress offers a comprehensive overview of all new developments in breast and gynaecological cancers, which account for 50 % of all cancers in women, as well as direct exchange with the world's leading experts in these fields. The aim is to present the latest scientific findings in practical recommendations for everyday clinical practice.
